SLAUGHTERED!

Nearly 2000 Foreigners Butchered by Boxers.

List of the American Victims—
The Details May Never be Known.

Washington, July 16.—Every foreigner in Pekin has met his death, but the details will probably never be known. As a last desperate resort a futile sortie was made from the British legation, where all were quartered. Then, when all the ammunition had been exhausted, Prince Tuan rained his guns on the legation, making a breach in the wall, and, after a gallant defense, all the foreigners were killed. Minister Wu officially informs the State Department up to the point that Gen. Tuan was about to use his guns. The Governor of Shan Tung supplies the climax of the terrible story. The situation at Tien Tsin is neither improved nor worsened. The allies have won one or two small battles, but with heavy losses. They were re-enforced by the Ninth United States infantry at a critical period July 12, but since that date there has been no news.

SANK TO BOTTOM.

Couldn't Swim And Drowned in Deep Water.

Ernest Edwards, the 15-year-old step-son of Steven Edwards, col., was drowned in the mill pond about a mile above Wood's Mill Sunday morning. He and three or four companions had gone into the river bathing. Edwards waded into deep water and as he could not swim sank in ten feet of water. He appeared on the surface of the water only once and then went to the bottom, where the body remained for an hour. Wm. Hays, col., dived and brought it ashore. Coroner Allensworth held an inquest Sunday afternoon and the verdict of the jury was "accidental drowning."

FRACTURED TWO RIBS.

While Engaged in Friendly Scuffle With an Acquaintance.

Mr. B. W. Harned, of this city, happened to a very painful accident last Thursday afternoon. He was on the farm of his son, Mr. Fred Harned, a few miles from the city, and while engaged in a friendly scuffle with an acquaintance, slipped and fell. The young man with whom he was wrestling fell on him breaking two of his ribs near the heart. It was at first thought that Mr. Harned was fatally injured, but he is now much better and will recover, though he may be confined to his room for some time yet.

Georgetown, Ky., July 13.—Court was opened promptly at 9 o'clock. Attorney W. C. Owens was absent.

The Jury Complete.

The jury was sworn to try the case. It is as follows:

1. W. O. Tinder, farmer (Ind.)
2. I. G. Stone, former (Dem.)
3. A. W. Graig, shoe dealer (Dem.)
4. W. T. Munson, farmer (Dem.)

Standing in their seats the twelve good men and true swore with uplifted hands to try the case of the Commonwealth of Kentucky against Caleb Powers fairly and without prejudice. The attorneys for the Commonwealth retired at 11 o'clock to prepare their opening statement.

Col. W. C. Owens will state the case for the defense if he recovers in time. He was struck by a street car last night and knocked over an embankment and seriously injured. He is confined to his room to-day, but will probably be well enough to appear in court to-morrow.

The examination of witnesses for the prosecution will begin immediately after Col. Campbell's statement. The defense will not be bound to begin its testimony until next Tuesday, when the attachments for absent witnesses are returnable.

WELL ARMED.

Berry Howard Goes About With a Winchester Rifle.

Lexington, Ky., July 13.—Berry Howard, accused of complicity in the assassination of Goebel, is at his home in Bell county. County Surveyor Newman, of this place, has just returned from Bell, where he has been for a month superintending a land survey. He says Howard was with his party, as were also officers of the county, and no one attempted to molest Howard, who is armed with a Winchester rifle and has armed guards riding with him wherever he goes.

Baby In a Fish.

Versailles, Ky., July 14.—An immense catfish taken from the Kentucky River at Tyrone was cut open, and in its stomach was found a fully developed newly born infant, that must have been swallowed a short time before.

Joel W. Gresham, of Sinking Fork, this county, has been granted an original pension of \$6 per month.

ELECTIONS TO BE HELD IN 1900

Officers Besides Presidential Electors to Be Chosen This Year.

All the States of the Union, now forty-five in number, will choose presidential electors and members of Congress on November 9, except Oregon, whose two Congressmen were chosen on June 4. All the Territories will elect delegates on the same day and the following elections will also be held in November:

Colorado, to choose a successor to the present Democratic Governor and Democratic-Populist State Officials.

Connecticut to choose a whole State ticket. The present Governor is a Republican.

Delaware, a Governor for four years in place of the Democratic incumbent. There is no Lieutenant Governor in Delaware.

Idaho, a State ticket for two years.

Illinois, a State ticket for four years.

Indiana, a State ticket for four years.

Iowa, a Secretary of State.

Kansas, a Governor and State ticket for two years.

Kentucky, through the legal complications arising from the shooting of Governor Goebel, a Governor in the place of Beckham, the present Governor.

Michigan, a State ticket for two years.

Minnesota, a State ticket for two years. The present Governor is a Populist, and his associates in the administration are Republicans.

Montana, a Governor and other State officers, now divided between the Clark and Daly factions of Democrats.

Nebraska, which has a Populist Governor and a Populist-Democratic State administration, will fill all these places, besides choosing legislators, who will have the selection of two United States Senators.

New Hampshire, in which a Governor and State officers will be chosen.

New York, in which the Governor, Lieutenant Governor and State officers, as well as both branches of the Legislature, will be voted for.

Wisconsin, in which a Governor and State officers will be elected.

The States in which there will be no general election for State officers this year are Maryland, Mississippi, Nevada, New Jersey and Virginia. The States which have already held their State elections are Rhode Island, which chose a Governor and State officers in April; Louisiana, which holds its State election in the same month, and Oregon, which voted in June.

Nott and Shot.

A territory exchange has resurrected the following:

"A duel was fought by two men name Nott and Shot. Nott was shot and Shot was not. In this case it was better to be Shot than Nott, it was rumored that Nott was not shot, but that Shot was shot notwithstanding. Circumstantial evidence is not always good. On trial it might appear that the shot Shot shot shot Nott, or it might be that the shot Shot shot shot Shot himself, and the whole affair would be not. We think the shot Shot shot shot not Shot but Nott; anyway it is hard to tell who was shot."

With the St. Louis woman writing her postscripts in department stores, it must not be inferred that she will neglect the bargain counter for her correspondence.

IS IT RIGHT

For an Editor to Recommend Patent Medicines?

From Sylvan Valley News Brevard, N. C.

It may be a question whether the editor of a newspaper has the right to recommend any of the various proprietary medicines which flood the market, yet as a preventive of suffering we feel it our duty to say a good word for Chamberlain's Colic, Cholera and Diarrhoea Remedy. We have known and used this medicine in our family for twenty years and always found it reliable. In many cases a dose of this remedy would save hours of suffering while a physician is awaited. We do not believe in depending implicitly on any medicine for a cure, but we do believe if a bottle of Chamberlain's Diarrhoea Remedy were kept on hand and administered at the inception of an attack much suffering might be avoided and many cases the presence of a doctor would not be required. At least this has been our experience during the past twenty years. Sold by R. C. Hardwick.

Love wounds are best cured by actual treatment.

Tetter, Salt-Rheum and Eczema.

The intense itching and smarting incident to these diseases, is instantly allayed by applying Chamberlain's Eye and Skin Ointment. Many very bad cases have been permanently cured by it. It is equally efficient for itching piles and a favorite remedy for sore nipples, chapped hands, chilblains, frost bites and chronic eczema. 25 cents per box. For sale by R. C. Hardwick.

One way to make both ends meet is to tie them together.

LETTERS TO MR. PINKHAM, JR., (Contd.)

"I was a sufferer from female weak-

ness. Every month regularly as the

menstrues came, I suffered dreadful pain

in uterus, ovaries

were affected and

had leucorrhoea.

I had my children

very fast and it

left me very weak.

A year ago I was

taken with food-

ing and almost

died. The doctor even gave me up and

wonders how I ever lived.

"I wrote for Mrs. Pinkham's advice

at Lynn, Mass., and took her medicine

and began to get well. I took several

bottles of the Compound and used the

Sanative Wash, and can truly say that

I am cured. You would hardly know

ham's Vegetable Compound has done

more for me than any doctor.

"I was troubled with irregular

disposed of Taylor's candidacy and

another named nearly the con-

gressional nominees in all doubtful

districts. As a result, the an-

nounced candidates in the Third,

Eighth and other districts are

"withdrawing" and the state can-

didates will be put up by the party

leaders.

As might have been expected the

four counties in which State institu-

tions are located, Christian, Fayette,

Franklin and Jefferson, voted

against the harmony candidates.

Promises, patronage and pie proved

too strong a combination and the

duty of restoring unity in the Demo-

cratic party must be intrusted to

counties whose voters were in a po-

sition to vote as patriots and not as

pie-hunters.

The railroads are trying hard to

get the McChord Railroad Law in-

to the Federal courts. The Rail-

road Commission whose duty it

presented by Attorney General Bre-

ckenridge, David Baird and Lewis

McQuown. One of the points in-

voiced was expected to be passed

In the instructed vote, as shown

by incomplete returns from about

75 of the 119 counties Gov. Beckham

has a strong lead and may have

enough in unreported counties to

get the nomination on the first bal-

lot at Lexington Thursday. The

Courier-Journal, for some unex-

plained reason, was absolutely

silent yesterday, giving no returns.

The Dispatch claimed with great

glue that Beckham had enough

votes to nominate, but gave no

figures. The county conventions

yesterday will furnish a real basis

for estimates of the real strength

claimed by all. If Gov. Beckham

has won the nomination over warn-

ings and protests of the party lead-

ers, including other nominees whose

districts are imperiled, it will be

the duty of all of us to make the

best of it, and fight all the harder

for the nominee. But the results

from yesterday's conventions may

not be so bad as feared. There

may yet be a chance to name the

strongest leader.

SEVENTY CENT WHEAT.

Yield This Year Varies According

to Locality.

Wheat threshing has been in pro-

gress over the county for a week or

more and in some sections the yield

is reported excellent, while in oth-

ers it is only fairly good. Up-land

wheat is turning out much better

than that on bottom lands. Some

report from thirty to forty bushels

to the acre, while in some sections

the yield is less than ten bush-

els. The condition of the grain

is much better than was expected.

Very few farmers have sold yet and

there seems to be a disposition

among some of them to store their

crops, though receipts are improv-

ing with each day. Owners of

threshers are furnishing everything

and threshing out the grain for

eight cents per bushel, except

where the straw is extra heavy

and tangled, when ten cents is

charged.

New wheat opened in this city at

67 cents per bushel. The price paid

yesterday was 70 cents, a slight

advance over the opening figures.

CRUELTY IN RUSSIA.

Despotism Punishment Inflicted

Upon the Russian People

That Has Been Tolerated Ever

by Cannibal Tribes.

From the reports which are constantly

brought by travelers, and others

from Siberia and other parts of the

Russian empire there is no attempt be-

ing made by the czar to live up to his

promise to prevent the sending of fur-

nished political exiles to his Asiatic

empire.

On the contrary, the treatment of

these prisoners has become even more

vigorous than at any past time, and

they are being shipped in increased

numbers to that infernal which is a

curse to modern civilization.

It is the horror of the situation

that the government of 300,000

roubles per year set aside for the main-

tenance of the political prisoners has

been cut down to 100,000 roubles, while

the number of these unfortunate

grows bigger and bigger, and this

means, of course, that many of them

literally starve to death in the pitiful

desert of the north. Particularly is

this the case in the provinces of Ver-

khoyansk and Kollinsk, where there is

no possible means of earning a penny

by any means whatever. Under the

regulations these exiles receive no al-

lowance until proof has been received

that they have no relatives in Russia

who are capable of being made to sup-

port them. In such a situation, in ac-

cording to this information usually occu-

pies 12 months, and in the interim there is

nothing but starvation ahead for the

exile, who goes to his fate unprovided

with funds.

The practice of branding those

among these poor wretches who, ac-

cording to the estimation of the czar's

officials, are the most dangerous to the

mind can be devised.

Men and women alike, says the Cin-

cinnati Commercial Tribune, are sub-

jected to this degrading punishment,

which is accomplished by means of hot

irons, the work being executed with

an amount of savagery not even met

with to-day among the fiercest can-

ibal tribes.

In the presence of his fellow crim-

inals, who have the same horrible or-

deal awaiting them, the shrinking vic-

tim is dragged forward and pinioned

securely by brutal keepers and held

tightly whilst the manipulator of the

burning iron proceeds to mark the de-

grading brand upon his forehead. This

is often done in the presence of other

members of the family, and the dis-

torted features of the unfortunate

creature, the smell of burning flesh and

A NEW PRECINCT.

Attention of County Judge Cansler Called to the Need.

In the two down-town precincts of Hopkinsville last year, the registered vote was more than 900 and as there were many votes not registered it is safe to conclude that there are 1,000 voters who will have to vote at No. 1 and No. 4. As the law provides that only 350 voters shall be in one precinct, the demand for a new precinct is therefore imperative. County Judge Cansler has the power to create it and it is supposed he will make the division. A new precinct with the river as its boundary would take about 75 votes from No. 4 and about 125 to 150 from No. 1. This would include all of the Seventh ward and 30 or 40 voters from the Fifth ward.

BECKHAM LEADS.

Has 363 Instructed Votes In 32 Counties.

Black Second With Seventeen Counties and One Hundred And Fifteen Votes.

Lexington, Ky., July 15.—The Democratic State Convention meets here on Thursday, and the present indications are that there will be a lively contest among the Democrats here for a successor to the late William Goebel. Gov. Beckham is strongly in the lead, according to the returns from the county conventions of yesterday, but it is denied that he has a majority, and it is stated that the field will combine against him. The field includes ex-Governor and ex-Congressman McCreary, Judge James P. Tarvin, James D. Black, Judge Joseph H. Lewis, W. B. Smith and Jas. B. Garnett. If the field should be able to concentrate on McCreary, the Beckham men would regard him as their most formidable opponent.

Sunday's Returns.

Louisville, Ky., July 14.—Returns from 68 of the 110 counties of Kentucky indicate the following strength of the respective Democratic candidates for governor in the Lexington convention on July 19:

Delegates for Beckham.....	363
Delegates for Black.....	115
Delegates for Lewis.....	75
Delegates for Smith.....	14
Delegates uninstructed.....	187
Delegates unheard from.....	343
Total.....	1095
Necessary to nominate.....	547

There are contests from Kenton and Campbell counties, the regular delegations being uninstructed and the contestants being for Tarvin. There was a bitter fight in Kenton county between Tarvin and the Goebel forces.

Many of the delegates from Louisville and Jefferson county, who are uninstructed, are known to be friendly to Beckham. It appears that Beckham has decidedly the best of it, though his nomination, from the returns that are in, is by no means certain.

It is significant that of the counties reporting from the Fourth congressional district, where Beckham lives and is best known, four went for him and five against him.

The counties reported are as follows: For Beckham—Muhlenberg, Caldwell, Ohio, Union, Todd, Nelson, Graves, Greenup, Lee, Pendleton, Fayette, Shelby, Hopkins, Marshall, Boyd, Bath, Larse, Harrison, Warren, Harlan, Monroe, Breckinridge, Henderson, Boone, Nicholas, Jessamine, Mason, Lyon, Ballard, Franklin, Christian, Livingston.

For Black—Wayne, Marion, Whitley, Clark, Anderson, Knox, Washington, Taylor, Rockcastle, Bell, Grayson, Garrard, Pulaski, Laurel, Lincoln, Montgomery, Carlisle.

For Lewis—Green, Woodford, Simpson, Metcalfe, Barren, Adair, Russell, Logan, Allen.

For Smith—Madison.

Uninstructed—Robertson, McLean, Crittenden, Davies, Hancock, Jefferson, Kenton, Campbell.

COUNTY CONVENTION.

Christians 16 Votes Instructed for Beckham.

The county convention was held yesterday afternoon and the Beckham men were in complete control. Black carried three precincts, Hopkinsville No. 3, Casey and Dogwood, having 6 votes. The other 25 precincts with 58 votes went for Beckham.

The convention was quiet and free from excitement.

The following resolutions were adopted:

- Resolved, by the Democrats of Christian county, assembled in convention, that we heartily and unequivocally endorse the platform adopted and the ticket, Bryan and Stevenson, nominated at Kansas City.
- Resolved, that we recognize in Gov. J. C. W. Beckham, a true Democrat and endorse his wise and conservative administration.

—That the following delegates

and alternates are hereby appointed to represent the county of Christian in the Democratic State Convention to be held in Lexington on July 19th:

PRESENT INDICATIONS.

Point to Very Large Crowd For Old Point.

Notwithstanding the fact the date of departure of the Old Point Comfort excursion is nearly a month off there is every assurance that the party this year will be as large, if not larger, than any previous occasion. Besides the large number of persons from this city that will go, there will be a good delegation from Cadiz, several from Gracey, a half dozen or more from Adams, Tenn., about the same number from each of the neighborhoods of Casky, Pembroke, Trenton, Elkton, Church Hill, Julien, Longview, Fairview, Princeton and Dawson. Henderson, Owensboro and Paducah will each have a full representation and Clarksville promises the largest crowd ever sent from that point.

Sleeping car diagrams will be sent out in a few days, when those desiring reservations can secure them by application to the proper authorities. It would be well for those desiring to take advantage of this most pleasant of all trips to make application for sleeping car space as early as practicable, in order that there may be no rush at the last moment.

ROYAL

The Absolutely Pure BAKING-POWDER

is the baking powder of general use, its sale exceeding that of all other baking powders combined.

Royal Baking Powder has not its counterpart at home or abroad. Its qualities, which make the bread more healthful and the cake of finer appearance and flavor, are peculiar to itself and are not constituent in other leavening agents.

Great efforts are made to sell pure baking powders under the name that they are so many cents a pound cheaper than Royal. The administration that they are cheaper made is an admission that they are inferior. But pure powders contain a corrosive poison and should not be used in food, no matter how cheap.

REV. E. P. CROWE.

After a Protracted Spree Quits The Ministry.

Rev. E. P. Crowe of the Main street Methodist Church, South, of Owensboro, Ky., was in Evansville three days on a protracted spree last week.

Returning home Saturday, he published the following card:

"I want to make a full and concise statement in connection with the report from Evansville. I have used whisky medicinally and upon the advice and prescription of several physicians for four or five years, and up to the time of my residence in Owensboro last October discontinued it, substituting bitters of various sorts. Since the investigation last winter I have abandoned the use of it altogether, until recently while in Evansville I stopped at the Acme Hotel, and after eating, feeling that I needed whisky the dining-room and bar-room being contiguous, I went into the bar-room and purchased some. I am sorry I have caused such a condition of things to be published in the daily press. My physical condition has been such in the past that whisky has brought me into questionable circumstances. I want to be honest in all my transactions with my church and mankind in general. I purpose to surrender my credentials as a minister of the gospel, and therefore no trial will be necessary. I do this not on an honest purpose. I am not posing as a candidate for public sympathy, but will say that if everything I have endured since my residence in Owensboro were known there might be a tempering of the public verdict. I only ask from all time to retrieve every inch of ground I have lost.

E. P. Crowe."

New York, July 13.—A dispatch to the Journal and Advertiser from Chefoo July 9 says:

Great joy reigns in Chefoo, inspired by the safe arrival of every white missionary and every native preacher in the Tien Tsin district hitherto unaccounted for.

The steamer Shinfing, of Chinese registry, but officered by Americans and English, brought in the refugees to the number of more than 200. They report that more than 15,000 refugees to Tien Tsin and Taku have been rescued from certain death by the allied forces of the Powers.

The missionaries who arrived by the Shinfing are: Perkins, Crawford, Lewis, Blacklock, Crawford, Hudson, Dawes, Tedder, Parth, Burnham, Fitch, Farles, Parker, Hayes, Horton, Moon (Boon), Lowe, Thompson, Luce, Irwin, Mateer, Hartwell, Print, Stephen, Dutton, Owen, Neal and Cooper.

Every missionary in Shantung province and every native preacher of the Methodist, Tien Tsin district is now accounted for.

The steamer sailed from an obscure coastwise port, with her destination secret. The Rev. P. D. Bergen, one of the refugees, made a gallant rescue of foreign miners near his station at Tsin Tao, 160 miles southwest of Chefoo. Mrs. Bergen and Dr. and Mrs. J. B. Neal are among the refugees arriving on the Shinfing. At Feng Tzi three Chinese converts were killed.

Mrs. Crosetti, of Wei Hein, brought on with her party Davies and Johnson. Fleming also escaped. Watts and Fenton made a gallant ride to Taku to bring the news of the critical conditions in putting Shantung villages. They saw the Pei Ho river twice and were fired upon by the natives at every village they passed. Hopkins, Parth, Luce and Ewing left for Japan by to-day's steamer. The Rev. Cornwall, of Chefoo, has greatly distinguished himself by making three trips into the interior to rescue missionaries.

The English mission at Cheng Chown has been looted and burned.

REPUBLICAN CONVENTION.

John W. Yerkes Will be Unanimously Named for Governor.

Louisville, July 15.—According to what the leaders say, everything will be done at the Republican State convention which will meet in Louisville at the auditorium at 2 p. m. Tuesday to nominate a candidate for governor. Mr. John Marshall will be temporary chairman and will deliver a speech in which he will set forth at some length the Republican side of the events in Kentucky politics following the last State election. Mr. Marshall ran for Lieutenant Governor on the ticket with W. S. Taylor and was unseated in favor of the present Governor, J. W. C. Beckham, who had second place on the ticket with Wm. Goebel.

Ex-Gov. Bradley will place in nomination for Governor John W. Yerkes of Daaville, who will be unanimously nominated. Gov. Bradley is expected to speak at considerable length. The Republicans propose to make this convention a Republican ratification meeting. It is expected to attract large crowds of Republicans in addition to the delegates, and anti-Goebel Democrats will be admitted without credentials. It is the present plan that the platform shall indorse the Philadelphia convention and its nominees and contain only one plank and this the Republicans describe "anti-Goebelinism."

A Rare Opportunity.

To those who seek pleasure and enjoyment and have neither the time, money or inclination to go to the Paris Exposition, there is an opportunity for enjoyment right at home, second to none. Last year the Lexington Horse Show, Fair and Carnival was the talk of all the country. This season they have broadened out and will put before the people the most gorgeous exhibitions in their live stock departments and Floral Hall ever witnessed in America.

The world renowned aggregation of juvenile talent, the Hungarian Boys Military Band, 35 lads from 6 to 16 years of age, will give concerts daily in front of grand stands; the Dillworthy family, the most celebrated aggregation of acrobats in the world, and the Western family, aerial artists, that have startled millions of spectators on both sides the water, will give free exhibitions each morning and afternoon.

The Arcadian Villa will contain the most costly elaborate and extensive array of talent that money can procure. Thousands of dollars have been spent to secure the premier artists of America to fill the various theaters in the Villa, and no such gigantic and marvelous collection of amusement features was ever before congregated under one management. Watch posters, hand bills, newspapers and bulletin boards. See your local agent for excursion rates and don't overlook an opportunity for an extensive outing at the smallest possible cost. Keep the date in your notebook—August 13-18, a gala week in old Kentucky.
